

Looking for Plant Donations

for the
May 19th Wildflower Garden Plant Sale
at the **Green Briar Nature Center**

Do your flower beds need dividing? Did you start too many seedlings? Saplings growing where they don't belong? Please consider donating them to the sale.

Proceeds benefit the *Shirley G. Cross Wildflower Garden*. We will be accepting donations up until the event. Acceptable donations include: perennials, annuals, herbs, vegetables, small shrubs, young trees, succulents and houseplants. Call the office for more details. 508.888.6870

If you are not a gardener, come enjoy the flowers of Green Briar. Consider making a financial donation to support the event. Handy? Come help us prepare. Creative? Do you make art that enhances an outdoor habitat? Do you build birdhouses? Contact the office and see how you can contribute.
