

Summer ^{at} the Smiling Pool

Tales &

Trails

Mondays, June 4 - August 27
at Green Briar Nature Center

11am - 12noon

\$4 nonmembers/\$2 members / Ages 3+
Reservations recommended.

Limit 20 per session.

Thornton W. Burgess's love of exploring nature inspired him to share his respect for the creatures who call the outdoors home, through countless inspiring stories with endearing characters. Listen to a story and visit with a live animal, then venture out on the woody trails of Green Briar, in search of critter clues. Walk is rain or shine. Appropriate footwear and seasonal garments strongly recommended.
